

School Fees & Levies (2025)

The following are the fees and levies for St Mary's School 2025. To comply with recommendations from the Catholic Education Office, Sandhurst, there has been an increase across the board. All 2025 excursions are included in our excursion levy, and this should eliminate the need to send money to school for events, such as sports days, Life Education, swimming program or incursions. If students are selected for region or zone competitions this will be at their family's expense - should they choose to participate. If you would like to discuss fee payment options or make other arrangements for your fee payments, please contact Mr Ryan.

The table below has some examples of what a family may be charged for the 2025 school year and instalment options. If there is not an option to suit your family, please contact Mr Ryan and an instalment plan can be worked out. School fee relief is also available for families to access. Please contact Mr Ryan to discuss. Please indicate how you would like to pay school fees for 2025 on the slip below and return to school ASAP. Thank you.
